### **SPM - OUTSTANDING PROJECT MANAGER AWARD 2025**

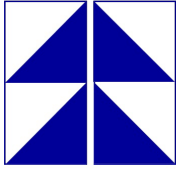

#### **Pre-Requisite Criteria**

The prerequisites for each category are outlined in the circular. Applicants are encouraged to provide detailed information showcasing their contributions to the successful implementation or execution of projects.

The awards aim to recognize significant achievements by Project Managers in the Built Environment over the past five years (2020–2024). These achievements may include, but are not limited to, the following aspects:

- a) Exceptional Service - Delivering an outstanding level of service in the projects undertaken.
- b) Impactful Expertise - Employing specialized project management expertise in projects that have made a significant impact on Singapore's Built Environment.
- c) Professional Practices - Demonstrating exemplary professionalism in interactions with all stakeholders of the project team.
- d) Innovative Approaches - Introducing innovative project management strategies or ideas that contribute to advancing the profession or the industry.
- e) Leadership Excellence - Highlighting the multifaceted leadership role of a Project Manager in project delivery, including meeting diverse client objectives, possessing deep knowledge of design and construction, and upholding high professional standards to earn the respect of all parties.
- f) Outstanding Contributions - Showcasing ideas, innovations, superior client service, excellent project delivery, or exceptional project management practices that have significantly influenced Singapore's Built Environment.
- g) Proven Track Record - Demonstrating a strong and consistent track record of achievements over the last five years (2020–2024).

Applicants are encouraged to ensure their submissions clearly reflect their achievements in these areas, emphasizing their role in advancing the profession and contributing to the Built Environment.
